## **An Act to proclaim Ontario Craft Beer Week**

### **Preamble**

Over the past decade, and with over 70 craft breweries in Ontario, the craft beer industry has grown in popularity, adding a generous boost to and becoming a major player in Ontario's alcohol beverage industry.

Ontario craft beer is handcrafted, made in small batches with lots of attention and care using locally sourced, all-natural pure ingredients with no additives or preservatives and using the brew masters' own authentic special recipes.

This Act is an instrumental way for the province to honour its long-standing partnership with and support of the Ontario Craft Brewers Association and to showcase and celebrate our province's thriving, locally-based craft beer industry.

Therefore, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

### **Ontario Craft Beer Week**

**1** The week commencing the second Sunday in June in each year is proclaimed as Ontario Craft Beer Week.

### **Commencement**

**2** This Act comes into force on the day it receives Royal Assent.

### **Short title**

**3** The short title of this Act is the *Ontario Craft Beer Week Act, 2017*.
