The Chair (Mr. Aris Babikian): There is a request from the committee member to do recorded votes. We'll request it once, and for all our amendments, we'll use recorded votes. Is there an agreement?

Okay. Since there is a request, we're going to do it that way, as was requested from the colleague from the government side. So from now on, there is no need to mention recorded vote for every amendment. Automatically, we will take it as a recorded vote.

The committee recessed from 1623 to 1628.

The Chair (Mr. Aris Babikian): We're back. Amendment—

Mr. Ted Hsu: Excuse me, Chair. I have a point of order.

The Chair (Mr. Aris Babikian): Yes?

Mr. Ted Hsu: Chair, my point of order relates to standing order 74(b), which says, "No bill shall be considered in any standing or select committee while any matter, including a procedural motion, relating to the same policy field is being considered in the House." Currently, Bill 27 is being considered in the House which involves forest fire prevention; geologic carbon storage, which is an infrastructure project; oil, gas and salt resources; and surveys, and Bill 5 certainly covers many of the same areas in the area of natural resources.

The Chair (Mr. Aris Babikian): Thank you very much for your point of order, but considering what we have passed today in the House, this doesn't give us consideration to address this issue, so we will focus on our clause-by-clause examination.

Mr. Rudy Cuzzetto: Point of order, Chair: I'd like to help out the Liberals because they have all these amendments today. If we could bundle schedule 2, section 49 would that help? I just want to help them get through more of them tonight.

Interjections.

The Chair (Mr. Aris Babikian): Please, let me manage the point of order.

There is a point of order to bundle all these amendments. We are at 346 right now. We have close to 2,000 amendments. It is the same amendment. We need to bundle the sections. Is there consent to bundle the amendments?

Ms. Mary-Margaret McMahon: No, there's not. They're different.

The Chair (Mr. Aris Babikian): MPP Cuzzetto, we asked for consent—

Interjections.

The Chair (Mr. Aris Babikian): Okay. Continue with your point of order, please.

Mr. Rudy Cuzzetto: Because they do have many amendments, I would like them to get through them before the end of the evening, I'm recommending if we could bundle this section, this way, we could help them out getting their amendments through.

The Chair (Mr. Aris Babikian): So you are suggesting to bundle this section only: section 49, schedule 2?

Mr. Rudy Cuzzetto: Correct. Because it would be disappointing if we couldn't get all their amendments through by the end of the evening.

The Chair (Mr. Aris Babikian): Okay.

Ms. Mary-Margaret McMahon: That defeats the purpose, and they are to be taken individually. They're completely separate amendments, but thank you kindly for thinking about us.

The Chair (Mr. Aris Babikian): Thank you very much for the point of order, but in the clause-by-clause examination, we cannot bundle the amendments, so we have to continue the way we are going, okay?

The Chair (Mr. Aris Babikian): Motion lost.
MPP Chris Scott: Chair, can I just have a point of order?

The Chair (Mr. Aris Babikian): Yes.

MPP Chris Scott: The amendments that we're voting on are extremely incremental changes. The member from Beaches–East York claims they are different, but in reality, they're absolutely not. We're just going up one day at a time on the exact same motion.

I'd just like to once again request that section 49 of schedule 2, which contains approximately 1,000 amendments, literally going up one day at a time, be bundled to allow for a more focused debate here and allow us to actually not have a circus and an affront to this committee but actually focus on getting through this.

The Chair (Mr. Aris Babikian): Thank you very much for your point of order and suggestion. Unfortunately, or fortunately—I don't know which way you want to take it—because they are each separate amendments, we cannot bundle them together, even though they are the same section, the same schedule. Those are the rules of the House, that we cannot bundle them together. Thank you very much for the suggestion.

We will continue.
