That, in the opinion of this House, the Province of Ontario must now employ cost effective, modern technology, which is presently available as a progressive process to manage and dispose of waste. À 11 h, la suite du débat est réservée jusqu'à midi.

Mr. Bisson then moved,

The Speaker addressed the House as follows:-

I beg to inform the House that I have today laid upon the Table the Report of the Integrity Commissioner, the Honourable Coulter A. Osborne, responding to the request of the Member for Simcoe North concerning Ms. Sandra Pupatello, Deputy Leader of the Official Opposition and Member for Windsor West (Sessional Paper No. 140).

I further beg to inform the House that I have laid upon the Table a request by the Member for Don Valley East to the Honourable Coulter A. Osborne, Integrity Commissioner, for an opinion pursuant to Section 30 of the *Members' Integrity Act*, 1994 on whether the Honourable John Baird, Minister of Energy, has contravened the Act or Ontario Parliamentary Convention (Sessional Paper 139).

---

The Speaker delivered the following ruling:-

Yesterday, the Member for Windsor West introduced Bill 228, An Act respecting Canterbury College. At the time it was introduced, this Bill was unaccompanied by the usual documentation that lets the Speaker know what type of Bill it is. As a result, it was assumed to be a Private Members' Public Bill. As a public Bill, it is not in order.

Upon review, it is clear that the Bill is intended to be a Private Bill. However, as a Private Bill it was likewise unaccompanied by the required documentation and was brought before the House outside of the normal procedures established for a Private Bill application.

I therefore find the Bill not to be in order and have directed that it be removed from the Orders and Notices Paper.

---

The Speaker delivered the following ruling:-

Yesterday, the Member for Hamilton West introduced Bill 233, An Act to amend the Assessment Act to more fairly permit exemptions from assessment to benefit senior citizens and disabled persons.

After first reading, the Government House Leader (Mr. Stockwell) asked the Speaker to "review the bill for its orderliness with respect to the cost components to the financial base of the province of Ontario."

I have had an opportunity to review the bill in light of our parliamentary precedents and authorities.

Marleau and Montpetit's *House of Commons Practice and Procedure* states the following at page 898:

With respect to the raising of revenue, a private Member cannot introduce bills which impose taxes. The power to initiate taxation rests solely with the government and any legislation which seeks an increase in taxation must be preceded by a Ways and Means motion. Only a Minister can bring in a Ways and Means motion. However, private Members' bills which reduce taxes, reduce the incidence of a tax, or impose or increase an exemption from taxation are acceptable.

Furthermore, citation 998(1) of the 6th edition of *Beauchesne* states that "[a] private Member may move that certain specified taxes be readjusted and that the scope of tax exemptions be enlarged."

Our own modern precedents agree with the position taken by these authorities.

Therefore, I find that the Bill 233 does not offend Standing Order 56.

I thank the Government House Leader for raising his concern.
