Le Président s'adresse à l'Assemblée :-

The Speaker addressed the House:-

Le Président s'adresse à l'Assemblée :-

Yesterday, the Government House Leader (Mr. Calandra) rose on a point of order and asserted that the Member for Waterloo (Ms. Fife) divulged information regarding an in-camera meeting of the Standing Committee on Finance and Economic Affairs. At that time, I undertook to take the matter under advisement and provide a statement to the House. I am now prepared to make that statement.

While disclosing information regarding an in-camera meeting of a Standing Committee would be inappropriate and could be a valid point of order, the Speaker has no way of knowing what transpires in each Standing Committee, especially during their in-camera sessions. This issue would therefore properly be raised in, and considered by, the Committee.
